From the far-flung corners of Golarion to the center of its major cities, many adherents find faith in small congregations dedicated to obscure beliefs and complex philosophies. Pathfinder Player Companion: Disciple's Doctrine explores a dozen of these cults and traditions, including such groups as the Esoteric Order of the Palatine Eye, Magnimar's mystery cults, the Oracular Council of Po Li in Tian Xia, the Prophets of Kalistrade, and many more. Learn more about these lesser-known groups, and discover the class and character options that true faith and deep traditions can unlock. Inside this book...

Reviews

These kinds of publication is everything and made me hunting ahead of time and more. I have got read through and i also am confident that i am going to gonna study yet again yet again later on. Its been printed in an extremely basic way in fact it is only after i finished reading this pdf in which in fact transformed me, alter the way i believe.
