Forgotten Books. Paperback. Condition: New. 222 pages. Dimensions: 9.0in. x 6.0in. x 0.5in. Catholic lines. We are not, however, left without guidance, of general principles; which need to be applied with caution to cases undreamt of, or certainly not investigated, by our fathers in the schools. This has been attempted of late, in some cases; I doubt whether with sufficient detachment. The atmosphere is too full of passion, and will be for long. Our successors will see more clearly; and will make, for all sides, allowances too generous for such as have lived through these last dreadful years. And yet as the whole world is talking of these questions, the Catholic schools of ethics should not ignore them. Not that on any of them one can hope to say the last word; but that, surveying them from different angles, one may direct attention to aspects that might be overlooked, and so contribute to a fuller view and a more equitable decision. As some of the opinions here advanced run counter to the feelings of many Irishmen, I deem it well to say, that, should it come to boasting, as (Typographical errors above are due to OCR software and don't occur in the book.)
