NavPress Publishing Group, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. It is entirely possible that God could have existed without the universe, and without humans, for all eternity. But for some reason, He decided to create anyway. What inspired Him to start the human story in the first place, and how should the answer to that question affect the way we view our lives? Few Christians ever stop to seriously consider these deepest-of-all deep questions. Jonathan Edwards explains, in his original dissertation: God's inherent predisposition to spread out His truth, goodness, and beauty motivates everything He does. So, His decision to create our universe was motivated not by a desire or need for us, but by a desire to glorify Himself. Ben Stevens remarkable new adaptation brings Edwards powerful arguments to life in fresh, contemporary language. In addition, thought-provoking questions for discussion or reflection invite readers to engage with the concepts and begin to apply them.
