

## Community Capitalism: Pulling Capitalism Back from Its Own Abyss (Paperback)

Filesize: 7.79 MB

### **Reviews**

*The ebook is fantastic and great. It really is basic but unexpected situations within the fifty percent in the book. Its been written in an exceptionally basic way in fact it is only after i finished reading through this ebook by which actually modified me, modify the way in my opinion.*

*(Ms. Donna Parker MD)*

**COMMUNITY CAPITALISM: PULLING CAPITALISM BACK FROM ITS OWN ABYSS (PAPERBACK)**

Danaan Press, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Vexed! Every American s Bitch List - Community Capitalism lays out the problems confronting Capitalism, those threatening once again to destroy the economic well-being of the American Nation and all of its allies and associates in Western and World Civilization. From the Stock Market to derivatives to banks to lawyers in politics to patenting intangibles to educational failures to unions, Community Capitalism lays bare the issues: the internals, the problems and the illogical, human-destructive hubris of Greed Capitalism. All American legislation (and that of Western Europe, too) of the past couple of decades has favored the big corporations while putting ever more insufferable demands on small businesses. At the same time, the programs of the first eight years of the century have helped to destroy American education by forcing it into what can only be called Stalinist regimentation. No one is taking responsibility for the multi-billion dollar (and euro) financial fiascos forced on the taxpayers. This has hit the American and the Greek people with taxation imposed without their consent for actions they never agreed to-the gambling that resulted in those horrendous fees. To get the world out of this condition, Community Capitalism proposes a basic rethinking, and redirected application of the strengths of Capitalism, to return to community-enriching, stable, progressive commerce allied with the human-centered methods of traditional, pre- MBA-Capitalism, pre-derivative-deranged business sensibilities. The primary concept around which this is based is that of Fiducium, a name coined to encapsulate the spirit of fiduciary responsibility, extended into all aspects of human endeavor. This Second Edition expands by 55 pages the description of Community, that is Market-defined, Capitalism, and widens its discourse and brings in such topics as Obstructionism, the US...
