Creation Books, London, 2003. Paperback. Book Condition: New. First Edition. International terrorism first came to the forefront of modern life in the 1960s and 1970s, with the first high-profile plane hijackings, car bombings and assassinations of the 20th Century. During this, the golden age of global terror, many terrorist organisations sprang up throughout the world, each with its own local agenda but all dedicated to an ultimate goal: world revolution. The groups spreading this Maoist mayhem include the Baader-Meinhof gang and the SPK, both from Germany; the notorious Carlos the Jackal, working for the PLO; Brigade Rosso from Italy, Action Directe from France, the Red Army in Japan, and the Angry Brigade in England. South America had its own Shining path, bent on kidnapping and slaughter, while North America was home to many disparate groups such as the SLA who notoriously kidnapped and converted heiress Patty Hearst the Weathermen, who dubbed 1970 the Year of the Fork in honour of Charles Manson the Black Panthers, and their counterparts the White Panthers who were spearheaded by their own house band, the legendary MC5. GUNS, DEATH, TERROR covers all these groups, including photographs and original terror manifestos, making it an essential study of the roots of modern terrorism the hottest topic of today. Size: 8vo - over 7¾" - 9¾" tall.
