Hoover Institution Press,U.S., United States, 2017. Hardback. Condition: New. Language: English . Brand New Book. In this book, Robert Leeson and Charles Palm have assembled an amazing collection of Milton Friedman s best works on freedom. Even more amazing is that the selection represents only 1 percent of the 1,500 works by Friedman that Leeson and Palm have put online in a user-friendly format-and an even smaller percentage if you include their archive of Friedman s audio and television recordings, correspondence, and other writings. This book and the larger online collection are sorely needed and very welcome. Milton Friedman deserves to be read in the original by generation after generation. These days, many people channel Friedman to support their own views, which sometimes are quite contrary to his actual views. With so much of it now readily available, everyone will find it easier to remember and learn from what he actually wrote and said. Readers will find the book refreshing whether or not they are already familiar with Friedman s work.
