A SLAVE IN THE WHITE HOUSE

Book Condition: New. Publisher/Verlag: Palgrave Macmillan | Paul Jennings and the Madisons. Foreword By Annette Gordon-Reed | The true story of Paul Jennings, a slave in the household of America's fourth president James Madison, and an extraordinary man in his own right he taught himself to write and read and purchased his freedom. This accessible and original narrative history was a bestseller in the US. | A New York Times bestseller, *A Slave in the White House* received glowing reviews that praised its narrative and original research. It is the story of Paul Jennings, who was born into slavery on the plantation of James and Dolley Madison in Virginia and moved with the Madison household staff to the White House. Jennings was a self-taught and self-made man who purchased his own freedom and penned the first ever White House memoir. Nearly two centuries later, Montpelier scholar Elizabeth Dowling Taylor uncovered the memoir. In this amazing narrative she reconstructs his life and his unusual portraits of James and Dolley Madison and Senator Daniel Webster in early nineteenth century Washington, as well as the 1812 assault on British troops and Jennings's heroic saving of George Washington's portrait. Fascinating and original, this is an important contribution to American history. | Preface; A.
