John Hunt Publishing. Paperback. Book Condition: new. BRAND NEW, Wellsprings: A Fable of Consciousness, William T. Hathaway, 2026. The earth's ecosystem has broken down under human abuse. Water supplies are shrinking. Rain is rare, and North America is gripped in the Great Drought with crops withering and forests dying. In the midst of ecological and social collapse, an old woman and a young man set out to heal nature and reactivate the cycle of flow by using techniques of higher consciousness. But the corporations that control the remaining water lash out to stop them. A blend of adventure and mystic wisdom, Wellsprings: A Fable of Consciousness is a frightening but hopeful look into a future that is looming closer every day.
