

## Essays Ethnological and Linguistic

By James Kennedy

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 238 pages. Dimensions: 9.0in. x 6.0in. x 0.5in. An excerpt from the beginning of the PREFACE: THE following Papers, most of which were read before the Ethnological Society, were intended to form an introductory volume to two larger works, the one on the origin and character of the Basque language and people, the other relative to the knowledge of America possessed by the Ancients. With the exception of the Essays on the ancient languages of France and Spain, on the lost Tribes of Israel, and the first notice respecting the American Indians, which have already been published, these Papers were not prepared by the author for publication, and this circumstance will explain the repetitions which will occasionally be met with. They have been printed from the original M. S. without alteration, as I considered it more advisable to do so than to make any verbal changes in the text. A further paper would have been written respecting the progress of the Celts through Europe, in which their passage westward was intended to be traced from the names of localities in which the word gal in its...
