

Going Green: The Essential Guide

By Cora Lydon

Need2Know. Paperback. Book Condition: new. BRAND NEW, Going Green: The Essential Guide, Cora Lydon, We are all aware of the need to be more environmentally friendly but knowing where to start is a different matter. This book is the essential guide on how to lead a greener lifestyle. The advice is straightforward, easy to follow and requires minimum effort so you wont need to compromise on your lifestyle we promise the only thing that you stand to lose is that big carbon footprint! The book is designed to help you makeover all areas of your life from the food you have in your kitchen, to what you choose to clean your bathroom with. There are also sections on green parenting, going green when travelling and a green buying guide for when you need to replace that crucial piece of equipment. From homeowners and fashionistas to children and those on a budget, greening over your life can be fun, inspirational and will almost certainly save you money in the long term. With the help of this handy guide you can learn how to make those changes both small and large which will suit your lifestyle and help to preserve the environment...

Reviews

The most effective book i at any time read through. It is definitely simplistic but surprises in the fifty percent from the ebook. Your daily life span will probably be enhance once you full reading this ebook.

-- Jules Dietrich V

Complete information for publication fans. Better then never, though i am quite late in start reading this one. Its been written in an extremely straightforward way in fact it is just soon after i finished reading this ebook in which basically altered me, change the way i believe.

-- Ellie Stark
