Reforming America's Health Care System: The Flawed Vision of Obamacare

By Scott W. Atlas

Hoover Institution Press, U.S. Hardback. Book Condition: new. BRAND NEW, Reforming America's Health Care System: The Flawed Vision of Obamacare, Scott W. Atlas, Amid much controversy in March 2010, Congress passed President Barack Obama's sweeping legislation to fundamentally transform America's health care system in the Patient Protection and Affordable Care Act (PPACA). In Reforming America's Health Care System, health policy experts from the United States, Canada, and Western Europe discuss both what to expect from the recent health reform legislation and alternatives that should still be considered. They offer critical appraisals of numerous aspects of the new law, looking at the individual mandate to buy insurance, the threats to medical innovation, the reduction of choice to consumers, and the complexities of medical malpractice reform. In addition they examine lessons learned from state health reforms, the Canadian government's control of access to care, and the Western European government's oversight of comparative effectiveness. The contributors stress that although government can be a positive piece of the health care puzzle by facilitating competitive markets, it is the marketplace that can provide more choices, better care, higher quality, and cost based on value. Innovation, they argue, comes from the private sector, not government, and there...

Reviews

Simply no words to explain. It really is basic but shocks from the fifty percent of the ebook. I am just happy to explain how this is the finest pdf we have read within my personal life and could be the best ebook for possibly.

-- **Blair Monahan**

This publication is worth getting. it absolutely was written very completely and useful. I am quickly could possibly get a pleasure of reading a written publication.
