

Rembrandt: With an Essay on the Life and Work of the Artist (Paperback)

By Mortimer Menpes

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Rembrandt has been reproduced in photograph and photogravure, and by every mechanical process imaginable, but all such reproductions are not only disappointing, but wrong. The light and shade have never been given their true value, and as for colour, it has scarcely been attempted. After many years of careful thought and consideration as to the best, or the only possible, manner of giving to those who love the master a work which should really be a genuine reproduction of his pictures, I have adapted and developed the modern process of colour printing, so as to bring it into sympathy with the subject. For the first time these masterpieces, with all the rich, deep colouring, can be in the possession of every one-in the possession of the connoisseur, who knows and loves the originals but can scarcely ever see them, and in that of the novice, who hardly knows the emotions familiar to those who have made a study of the great masters, but is desirous of learning.
