Reviews

This is actually the very best book i actually have read till now. This is for all those who statte that there was not a worth studying. Its been written in an remarkably straightforward way which is merely following i finished reading this publication by which in fact altered me, modify the way i believe.

CAT SENSE: THE FELINE ENIGMA REVEALED

[DOWNLOAD](#)

Penguin Books Ltd. Paperback. Book Condition: new. BRAND NEW, Cat Sense: The Feline Enigma Revealed, John Bradshaw, From John Bradshaw, one of the world's leading experts on animal behaviour, and the author of the Sunday Times Bestseller, In Defence of Dogs, Cat Sense shows us the true, surprising nature of cats. Cats are the most popular pet in the world. They outnumber the dog, man's 'best friend', by three to one. Yet today, they face unprecedented challenges in their life with humans: from conservationists who cast them as a threat to wildlife; from other cats who they compete for territory with; and from good-intentioned owners and vets with misconceptions of what they require. Cats need not so much our sympathy, but our understanding. Cat Sense offers us for the first time a truly scientific, yet deeply affectionate, picture of one of humanity's closest and most enigmatic companions. "A mind-altering book .delightful". (Lynne Truss, The Times). "Exceptionally thorough .Bradshaw's concern and love for cats shines through .You could buy a dozen books by the many cat whisperers, cat gurus and cat therapists that exist in our feline-obsessed modern world, but their accumulated wisdom would probably not help you understand your cats as well as Cat Sense". (Tom Cox, Observer). "An entertaining book, written in a relaxed style". (James McConnachie, Sunday Times). "Witty, surprising writing .There is his delight in detail, a talent for dismantling myths, but most importantly an ability to build a coherent and entertaining theory from an apparent contradiction that all cat-lovers will recognise: we seek to understand cats even though it is our lack of understanding that makes us love them". (Herald John Bradshaw is a biologist who founded and directs the world-renowned Anthrozoology Institute, based at the University of Bristol). He has been studying the behaviour of...
