HOOKING UP WITH ADMISSIONS OFFICERS: SELLING YOURSELF THROUGH COLLEGE APPLICATION ESSAYS

Beco Days Press, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Hooking Up with Admissions Officers concisely provides clear guidance for creating a compelling college application essay. The first part of the book, emphasizing the importance of introspection as a means to stand out, highlights crucial differences between academic and application essays. The second portion serves as a resource for avoiding the mistakes college applicants commonly make in grammar, style and content. While this section is by far the heaviest, it s valuable for any writer. The final section of the book discusses finishing touches, including how to know when the essay is ready to submit. Although a book on essay writing easily could put someone to sleep, the author maintains reader interest by using a friendly voice and by peppering the pages with anecdotes about essays she has seen as a writing coach for college and post-graduate applicants. Furthermore, in the first and third parts of the book, she alternates her chapters with related posts from her award-winning blog for college-bound students. The book is not only informative, it s motivational. Here is what others have said: I kept wondering if (this book) had been written by an admissions officer. . The insights you provide should prove helpful to anyone using your book. . I thought your comments were spot-on. --Paul T. White, Assistant Dean of Admissions, Johns Hopkins University School of Medicine, Baltimore. You included almost all of the advice I ve heard into one place while still keeping it concise. . The tone is the perfect balance between friendly, personal advice and an organized, informative guidebook. It will serve its purpose for students, families and consultants alike. --Erin Gross, student, Cornell University, Ithaca, NY;...
