This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Noted experts provide practical, effective strategies to meet global health challenges International Social Health Care Policy, Program, and Studies presents a collection of papers drawn from the Ninth Doris Siegel Memorial Fund Colloquium that focuses on social work and international health issues, emphasizing an international exchange and cooperation as a crucial facet of meeting global health challenges. Honoring the memory and spirit of social work pioneer Doris Siegel for her accomplishments and advocacy on behalf of social-health issues, this fine selection of scholarly papers explores ideas and strategies from around the world which offer greater opportunity for success for diverse social work and health care problems. Internationally recognized practitioners and academics offer research and case studies illustrating approaches, programs, and policies that any practitioner or policymaker may find helpful. International Social Health Care Policy, Program, and Studies closely examines the common ground in social health care problems shared by various countries worldwide. Issues such as the effects of terrorism, academic-practice partnerships in practice research, and the international exchange program are explored, with insightful discussions that explain in which directions to best channel social and health care energies and resources. Helpful figures and tables further explain concepts and research. Topics in International Social Health Care Policy, Program, and Studies include: \* Strength-focused and Meaning-oriented Approach to Resilience and Transformation (SMART) as a model of crisis intervention that uses a holistic view of health \* outpatient commitment as a delivery system \* assisted conception and social work needs in the United Kingdom \* a study on the psychological distress between elderly Israeli residents and immigrant family caregivers...
