Lulu.com, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.God s voice is not thunder and lightning. His Spirit, the Holy Spirit dwells inside each believer and speaks in a still small voice. The Holy Spirit is the voice of God. This book will help you learn the guidelines for hearing and recognizing God s voice in your own life. Also you will learn how to avoid being tricked by the enemy (like Adam and Eve) into believing a twisted lie. There are guidelines for testing the spirits -- to know which voice is speaking to you. It is also a process of getting to know the Holy Spirit and his voice. You can test each message to know if it s the Holy Spirit or not. It may take time, testing and experience to hear and know His voice, but this book is about all the extraordinary things that will happen as you begin to follow the leading of the Holy Spirit in all your decisions.
