Visit us online at - Ludwig van Beethoven (1770-1827) is widely considered to be one of the pre-eminent classical music figures of the Western world. This German musical genius created numerous works that are firmly entrenched in the repertoire. Except for a weakness in composing vocal and operatic music (to which he himself admitted, notwithstanding a few vocal works like the opera Fidelio and the song Adelaide,), Beethoven had complete mastery of the artform. He left his stamp in 9 symphonies, 5 piano concertos, 10 violin sonatas, 32 piano sonatas, numerous string quartets and dozens of other key works. Many of his works are ingeniously imaginative and innovative, such as his 3rd symphony (the Eroica), his 9th Violin Sonata (the Kreutzer), his Waldstein piano sonata, his 4th and 5th piano concertos, or his Grosse Fugue for string quartet. (Of course, each of Beethoven s works adds its own unique detail to Beethoven s grand musical paradigm.).
