Page Publishing, Inc., United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Integrity is a word that is seldom used in daily life, not even in the media, both print and electronic. It is less frequently used than the opposite, corruption. It seems to be destined to the dictionary. Yet the word stands for the quality of personality that is most needed in our society today. Integrity Campaign Group., is a plot to lift this important word from word-list to world usage. Using Nigeria as a case and Nigerian immigrants to the USA as actors, this book seeks to propose a campaign for Integrity as a solution to the nagging problem of corruption that is eating deep into the fabric of our society today. Chukwuemeka is presented as a personification of integrity as well as its advocate. He also seeks to emphasize the importance of history in the development of any nation. The book is spiced up with some scenes of the Nigerian Igbo marriage customs, with Chukwuemeka featured as a model suitor, a prudent husband and a loving father. Every reader will have a piece of fascination to derive from the book.
