## SWEDISH FAIRY BOOK (PAPERBACK)

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The following volume of Swedish fairy-tales represents a careful choice, after the best original sources, of those examples of their kind which not only appeared most colorful and entertaining, but also most racially Swedish in their flavor. The wealth of material available has made it possible to give due representation to most types of fairy-tales, from the stories of older origin, the tales of giant, troll, and werewolf, to such delightful tales as: Knos Lasse, my thrall Finn, the giant, and the minster of lund The Skalunda giant Yuletide specters Silverwhite and Lillwacker Stompe pilt The girl and the snake Faithful and unfaithful Starkad and bale The werewolf First born, first wed The lame dog The mount of the golden queen Old hoggiant Princess and the glass mountain Queen Crane Tales of the Trolls Charcoal Nils and the Troll-woman The three dogs The poor devil How Smaland and Schonen came to be The evil one and kitta grau The lady of Pintorp The spectre in Fjelkinge The rooster, the hand-mill and the swarm of hornets Torre Jeppe The man who died on holy innocents day Colored with the rich and ornate stylistic garb of medieval chivalric poesy. There has been no attempt to rewrite these charming folk-and fairy-tales in the translation. They have been faithfully narrated in the simple, naive manner which their traditional rendering demands.
