DOWNLOAD

Createspace Independent Publishing Platform, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The ultimate small business owner s guide for finding a professional, competent, honest, considerate, on-time, fairly priced, and dependable computer consultant. Learn about patented security services that complements existing security systems, including firewalls, antivirus, proxy servers, antispam, cloud filtering, etc. that blocks all untrusted executable code without the concern of malware not being recognized. All without the massive overhead of huge whitelists. Doesn t require large amounts of processor, network bandwidth or memory. Insight over existing executables on its network environment to ensure there were no unauthorized programs running or with the potential to run. Popular security and compliance standards require full audit trail of executable programs and libraries that they were calling and which security account ran them. You need a solution that couldn t be bypassed by staff, administrators, junior IT staff or consultants. Learn how to stop all zero day malware and ransomware with powerful, patented solutions that allow your business to save a substantial amount of money by escaping the typical 3-year replacement cycle that Microsoft and the industry typically recommends. This technology can allow you to keep your systems for much long periods of time without compromising your security. Learn about new, secure, Cloud Computing solutions, cyber security Laws, Risk Management, and Data Backup, Disaster Recovery and Business Continuity Solutions. Read this book and you ll discover: The five types of technical support available, and the pros and cons of each. How to avoid getting ripped off, disappointed and/or paying for substandard work. 12 warning signs that you hired the wrong computer consultant. Viruses, worms, spyware and hackers: what you need to know to protect your company from invasion. Everything you need to know about contracts, payment...
