## ENGLISH IN THE SOUTHWEST OF ENGLAND

Grin Verlag Mai 2009, 2009. Taschenbuch. Book Condition: Neu. 210x148x2 mm. This item is printed on demand - Print on Demand Titel. - Seminar paper from the year 2008 in the subject English Language and Literature Studies - Linguistics, grade: 1,7, University of Duisburg-Essen (Department of Anglophone Studies ), course: Language, Variation and Change, 7 entries in the bibliography, language: English, abstract: Since English is one of the most widespread languages in the world, a vast number of varieties can be found all over the world. These varieties all differ from each other and are marked by regional and social aspects. Investigating these aspects helps to prevent misunderstandings (e.g. the same words meaning different things in different varieties) and offers a lot of information on historical topics. Very often research is done on geographically far away territories as it is the case between Britain and America. This is a pity since there are a lot of varieties within British border which are worth being discussed. That is why this paper deals with a regional variety situated in England: The south-western variety. This essay will give an overview on the English spoken in the Southwest of England. But before the essay is focused on this regional variety chapter two will present dialectology to the reader. What is dialectology Which are its aims Where is the difference between Dialect and Accent Why is observing regional variation so important To what extend influences social status the occurrence of a social variation All these questions will be dealt with in chapter two in order to make the reader aware of the importance of language study and especially dialectology. Chapter 3 then will deal with English in the Southwest . After a short presentation of the difficulties of locating exactly south-western , the boundaries of...
