Reviews

An exceptional pdf as well as the typeface utilized was interesting to see. I am quite late in start reading this one, but better then never. I am very happy to explain how this is actually the best pdf i actually have go through within my individual daily life and might be he greatest publication for possibly.

iUniverse, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Resolution 786 is a timely and intellectually provocative work about God, love, and war. Adam Hueghlomm, the product of a mixed marriage, was raised as both a Muslim and a Jew. Hueghlomm s fate unfolds through his childhood in Africa, his life as an adult in America, and his experiences during the Iraq War. Using the twenty-first century s first war as a backdrop, Hueghlomm simultaneously participates in the twenty-second century s most celebrated trial, a thought-provoking courtroom confrontation which charges the Lord with crimes against humanity. From the fields of Nairobi to America s western canyons, to the streets and alleys of Baghdad, this story is told through a series of brilliantly interwoven vignettes that include traditional narrative, e-mail messages, poems, an obituary, a letter to the United Nations Commission for Human Rights, and a five-count indictment of the Lord. Thoughtful, challenging, and smart, Resolution 786 weaves the black humor of Vonnegut through a tapestry of Kafkaesque imagery to create a vision of one man s troubled relationship with God.
