Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. About to Be a Dad: Father to be guide to pregnancy was written because I was totally unprepared for pregnancy when I heard those three words: - I am pregnant. I panicked, became a slave to the process, did not feel appreciated or of value and was not the man I needed to be to my wife and my baby to be. By the time it came to my second boy, I was more than ready but I had to learn everything from bonding with my wife and son during the pregnancy all the way to changing nappies and beyond. I took on extra responsibilities to become a stronger financial provider, started to enjoy hobbies and passions that I had been neglecting as these were the things I could pass on to my new born. My whole family, my wife, my in - laws and friends all became amazed at my fatherhood abilities to the extent I have created an evolving website (Blog) for parents, and have written several books / downloadable audios, and videos. This book is your complete guide to understanding pregnancy, labor and raising a toddler for parents. From the moment your wife / partner finds out she s pregnant, the thoughts about fatherhood begin. They range from questions about the process of pregnancy and labor and delivery, and from the anatomical to the emotional. You ll begin thinking a lot about the future, from where the crib will go to baseball games with your son or dance recitals with your daughter. For 9 months up until delivery, to the day you welcome the baby home, you ll have a lot of planning and strategizing to...
