Hawkhill Associates Incorporated, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Memoirs that matter. Bill Stonebarger lived through the Great Depression, worked as a US Navy seaman, cab driver, teacher, entrepreneur, philosopher, poet and playwright through the WW2 war years, the booming 50s, the radical 60s, the inflationary 70s, the 80s malaise, the end-of-Cold-War and the digital-boom 90s and the turn-of-the-century world-progress times. Still active at 87 his memoirs that matter will surprise and delight 21st century readers as Thoreau s classic Walden did in the 19th century and Hayek s The Road to Serfdom did in the 20th. Weaving through the memoirs are the key ideas: (1)We are just at the dawn of big changes from the earth s Agricultural Age to the Modern Age . (2)The U.S. has led the way into this new Modern Age of rising opportunity and freedom with a synergy of Science, Capitalism and Freedom of Religion. Chapters supply details: History, Travel, Cold Wars, Politics, Sex, Money, Levity, Education, Religion, Science, Social welfare, Sustainability, Theater and the Arts. Review excerpts below of Bill Stonebarger s 2012 book, Twilight or Dawn a Traveler s Guide to Free-Market Liberal Democracy. Incredibly enjoyable. Bill covers major parts of recent global history with accuracy and readable flowing prose. . I will use many of his ideas for my work with global environmental issues. -Dr. Stefan Gorzula, CITES Secretariat, Switzerland. A work of genius. I take off my hat to the author. Comprehensive, accurate and free of jargon. -Sidney Hook, philosopher and international champion of Democracy. When it comes to Bill, there s gold in grey. Do yourself a favor and listen. You might just see our world quite differently. -Kerry Swift, University of Johannesburg, South...
