MAKING YOUR PRACTICE EVIDENCE-BASED: A SELF-STUDY GUIDE FOR GPS (PAPERBACK)

Royal College of General Practitioners, United Kingdom, 2010. Paperback. Condition: New. Language: English . Brand New Book. Making Your Practice Evidence Based: In an age where patients become more able to look into their own conditions and question established practice in both primary and secondary care, clinicians are increasingly being challenged as to their evidence. Evidence-based practice is a skill that once understood will serve as a basis for safe and effective clinical practice throughout a clinical career. This clear...

Reviews

The book is fantastic and great. I have got read through and i am confident that i will planning to read yet again once again in the foreseeable future. I found out this book from my dad and i recommended this publication to discover.

-- **Prof. Nicole Zieme**

This type of publication is every thing and taught me to searching ahead and more. It can be rally fascinating through reading through period of time. You can expect to like how the blogger write this pdf.

-- **Dr. Jillian Champlin IV**

A brand new electronic book with a new standpoint. It is writer in basic phrases rather than confusing. Its been designed in an extremely basic way which is merely right after i finished reading through this publication n where basically altered me, change the way i believe.

-- **Kitty Crooks**
