

## Managing Expectations: Driving Profitable Option Trading Outcomes Through Knowledge, Discipline, and Risk Management (Hardback)

By Anthony J Saliba

Martinkronicle, 2016. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Reviews I was given an advance copy of Managing Expectations by Tony Saliba, one of the original Market Wizards, which is being released next month. When I was on the trading floor, I was raised on the Sheldon Natenberg book, Option Volatility Pricing, but this is even better. I think it's going to be the new standard by which all options books are judged. - Jared Dillian, author of Street Freak and Mauldin Economics 10th Man. Just looking at the subjects covered in a preview of the 24 chapters of the book gives you an idea of the obsessive detail Saliba approaches his work and the world of options. Perhaps that focus and attention to detail was born from early failures--as is often the case with talented traders--which forged in Saliba a desire to learn all he could about options. Managing Expectations does not appear to be a light summer read but may provide the depth to put emerging options traders on solid footing. Saliba is an options master and if you have a desire to learn chess rather than checkers, you may want to...
