CREDIT RISK ANALYTICS: PREDICTIVE MODELING TECHNIQUES COMPARISON

Ravinder Singh
**Credit Risk Analytics:
 Predictive Modeling
 Techniques Comparison**
 Automated comparison of various predictive
 modeling techniques on credit card data

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | Automated comparison of various predictive modeling techniques on credit card data | Credit Scoring studies are very important for any financial house. Both traditional statistical and modern data mining/machine learning tools have been evaluated in the credit scoring problem. Predictive modeling defaulter risk is one of the important problems in credit risk management. There are quite a few aggregate models and data driven models available in literature But very few of the...

Reviews

Great electronic book and valuable one. It really is simplistic but surprises within the fifty percent from the book. Its been printed in an extremely simple way in fact it is merely right after i finished reading this publication by which in fact modified me, change the way i really believe.

-- **Dr. Bethany Lindgren**

A top quality publication as well as the typeface used was intriguing to learn. Yes, it is play, still an amazing and interesting literature. I discovered this publication from my i and dad suggested this book to learn.

-- **Prof. Louvenia Flatley**

A really amazing pdf with perfect and lucid reasons. This really is for anyone who stante there was not a worth reading through. Your daily life span is going to be transform when you comprehensive looking at this book.
