Dover Publications Inc., United States, 1990. Paperback. Condition: New. New edition. Language: English . Brand New Book. The nineteenth century was a period of continuous change for women s clothing in England. Museum curators, vintage clothes collectors, and fashion historians will find this carefully researched and well-written book an indispensable tool for dating, identifying, and authenticating vintage clothing. Not only are styles described and illustrated in detail for each year; all the small details of construction by which specimens can be dated are given wherever possible. Moreover, designers, illustrators, and fashion...
