## THE HISTORICAL ANNALS OF CORNELIUS TACITUS, VOL. 3 OF 3: WITH SUPPLEMENTS (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from The Historical Annals of Cornelius Tacitus, Vol. 3 of 3: With Supplements I. The new reign opened with the murder of Junius Silanus, proconsul of Asia. The deed was perpetrated by the contrivance of Agrippina, without the knowledge of Nero. In the character and conduct of Silanus there was nothing that could provoke his fate. Under the preceding emperors he had led a life so inactive, that he fell into contempt, and was called by Caligula, The Golden Calf. But Agrippina had cut off his brother Lucius Silanus, and lived in fear of the vengeance due to her crime. Her son Nero, not yet arrived at years of discretion, was raised by her treacherous arts to the sovereign power, and, in opposition to that measure, the public voice was loud in favour of Silanus, a man every way qualified, of an understanding matured by years, an unblemished character, by his birth illustrious, and (what was then of great importance) descended from the house of Caesar. Silanus, in fact, was the great grandson of Augustus. Those circumstances conspired to work his ruin. The actors in this dark transaction were Publius Celer, a Roman knight, and Helius, an enfranchised slave; both employed in Asia to collect the revenues of the prince. At a public feast those two conspirators administered a dose of poison to the proconsul with so little precaution, that secrecy did not seem to be worth their care. The murder of Narcissus, the freedman of Claudius, was despatched with as little ceremony. The quarrel between him and Agrippina has been already stated. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at...
