THE SEARCH FOR LIBERTY: V. 1: FROM ORIGINS TO INDEPENDENCE (HARDBACK)

John Wiley and Sons Ltd, United Kingdom, 1995. Hardback. Condition: New. Language: English . Brand New Book. This is a history of the region now known as the United States of America, from earliest times to the American victory over the British and the Declaration of Independence in 1776. The book charts the arrival of the first Americans through Alaska, millennia before the coming of the Norsemen, or of Cabot, Columbus and Raleigh. It tells of the sixteenth century incursions by the Spanish, French and English, their interaction with the American Indians, and describes the early settlements, their culture, activities and trade. The author traces the rise to dominance of the British settlers, and the establishment of the whole of east America within the British Empire. The book closes with an account of the war with the British and of Washington's final triumph.
