

Sewer Gas and How to Keep It Out of Houses: A Handbook on House Drainage (Paperback)

Filesize: 8.65 MB

Reviews

This ebook will be worth acquiring. It is actually written in basic phrases instead of hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Trystan Yundt)

SEWER GAS AND HOW TO KEEP IT OUT OF HOUSES: A HANDBOOK ON HOUSE DRAINAGE (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.From the PREFACE. The principal part of this book was written nearly four years ago. It has only been waiting in order that some suggestions it contains might have a thorough practical trial, and this being accomplished, it is now published in the hope that it may help those people who are in doubt and trouble with the drainage of their houses. It would be a public calamity if the wide-spread alarm, caused by the recent illness of the Prince of Wales, were allowed to subside without producing a beneficial effect; but there is danger that such will be the case, simply for the want of definite information as to what is amiss, and how it is to be set right. The discussion in the newspapers has been more calculated to cause alarm and bewilderment than to direct anyone how to act. Everyone is crying, Do! do! while no two agree what is to be done. What appears to be wanted is a book of approved scientific merit, and of such a practical character that a householder or any unscientific person can learn from it how to ascertain if drains are safe, and, if not, how to get them put right. In the absence of such a book, I venture to hope that this little work may be useful. My chief object in writing on this subject was to suggest a plan for preventing the evil which is now causing so much alarm-viz. the back-flow of gas into our houses. Of this plan I have now had four years experience; and have, without exception, found it to answer perfectly. In the first place, I applied it to my own house...
