Brand New Book ***** Print on Demand *****.The tale of Rupert Sent Leger, who has inherited huge amount of money under one condition: to keep it, he must help the people of the Blue Mountain gain their independence. Visited by a young and beautiful lady, he is in despair about whether she might be a vampire. Set in the early nineteenth century, Brams fiction The Lady of the Shroud is full of mystical and super-natural elements. A brilliant presentation of a lady who appears always in a shroud, this work engrosses the readers. The Balkan lands are presented and a slight political touch is also given towards the end. Mesmerizing!Abraham Bram Stoker was an Irish novelist and short story writer. During his lifetime, he was better known as the personal assistant of actor Henry Irving and business manager of the Lyceum Theatre in London, which Irving owned. Stoker supplemented his income by writing novels; the best known being the vampire tale Dracula which was published in 1897. Before writing Dracula, Stoker spent several years researching European folklore and stories of vampires. After Irving s death he managed productions at the Prince of Wales Theatre and was also on the staff of the Daily Telegraph, but he concentrated mainly on his writings. In 1906 he brought out his life of Irving, which proved very successful.
