Come, he continued, as he slung on his bullet-pouch, let s go and shoot him. Frank and Archie were ready in a few minutes; and, after dropping a couple of buck-shot into each barrel of their guns, followed the farmer out to the sheep-pen. It was storming violently, and it was with great difficulty that they could find the varmint s track. After half an hour s search, however, with the assistance of the farmer s dogs, they discovered it, and began to follow it up, the dogs leading the way. But the snow had fallen so deep that it almost covered the scent, and they frequently found themselves at fault. After following the track for two hours, the dogs suddenly stopped at a pile of hemlock-boughs, and began to whine and scratch as if they had discovered something.
