A nocturnal dive into the pools shallow end changed everything. Paralyzed from the neck down, doctors announced that hed never move from his bed or breathe without assistance. But Francesco fought back. Within days, he was breathing on his own. His father, a doctor himself, investigated every opportunity for experimental treatment, and Francesco used all resources available to speed his recovery. To avoid having his lungs suctioned, he sang, loudly, for hours. And that was just the beginning. Francescos accident left him unable to sweat out toxins, leaving his skin less than healthy. So Francesco and his father began to experiment, and Clarks Botanicals skin care line was born. It is now sold nationwide in stores such as Saks Fifth Avenue and Fred Segal, and featured in Harpers Bazaar, Vogue, and other magazines. Seven years after the accident, Francesco continues to improve, in addition to running a thriving business. This item ships from multiple locations.
