Reviews

This type of ebook is every little thing and made me looking ahead of time and more. It is among the most amazing book i actually have read through. Its been designed in an exceptionally simple way in fact it is simply soon after i finished reading through this pdf in which actually transformed me, change the way i believe.

(Dr. Ron Kovacek)

ON LOOKING: ESSAYS

Sarabande Books. Paperback. Book Condition: New. Paperback. 224 pages. Purpura is the real deal, and so is every successive sentence in this collection. A cornucopiac vocabulary is married to a strict economy of expression; an offbeat curiosity is married to the courage of difficult witnessing. . . . Albert Goldbarth Purpuras prose is a system of delicate shocksleaps and connections and syncopated revelations, all in the service of the spirit negotiating the truth of its experience. Sven Birkerts Lia Purpuras daring new book of lyric essays, *On Looking*, is concerned with the aesthetics and ethics of seeing. In these elegantly wrought meditations, patterns and meanings emerge from confusion, the commonplace grows strange and complex, beauty reveals its flaws, and even the most repulsive object turns gorgeous. Purpuras hand is clearly guided by poetry and behaves unpredictably, weaving together, in one lit instance, sugar eggs, binoculars, and Emersons words: I like the silent church before the sermon begins. In *Autopsy Report*, Purpura takes an intimate look at the ruin of our bodies after death, examining the dripping fruits of organs and the spine in its wet, red earth. A similar reverence is held for the alien jellyfish in *On Form*, where she notes that in order to see their particular beauty. . . we have to suspend our fear, we have to love contradiction. Her essays question art and its responses as well as its responsibilities, challenge familiar and familial relationships, and alter the borders between the violent and the luminous, the harrowing and the sensual. Above all, Purpuras essays are a call to notice. She is writer-as-telescope, kaleidoscope, microscope, and mirror. As she says: By seeing I called to things, and in turn, things called me, applied me to their sight and we became each as treasure, startling to one...
