This publication is really gripping and exciting. It really is basic but unexpected situations in the 50 % in the book. It is extremely difficult to leave it before concluding, once you begin to read the book.

He modeled for me how to pursue our God-given potential. That s something that makes both good human sense and good business sense. --Andrea Widmer Former Swiss Guard, CEO and business leader Andreas Widmer gives a behind-the-scenes look into Pope John Paul II, the most authentically human person I ve ever met, and reveals how those memories shaped and forged his success as a corporate executive. In what papal biographer George Weigel calls a powerful example of leadership at work, Widmer recounts his personal experiences serving Blessed Pope John Paul II in the Swiss Guard, and the secrets of successful leadership that he learned at the feet of the great pope. He is for me and I hope he will be for you as well. Andreas Widmer has given us a true gift by sharing his first-hand experience of Pope JP II s personal habits so that we can incorporate these in our own leadership journey, says Dr. Carolyn Woo, Dean of the Business School at Notre Dame. This up-close look at the pope s influence raises the bar for leadership...
