Springer-Verlag Gmbh Aug 2016, 2016. Buch. Condition: Neu. Neuware - This book addresses contemporary empirical issues in Islamic stock markets including volatility, efficiency and Sukuk defaults. The studies contained within this book consider a combination of pure Islamic stock markets and comparative studies, with reference to their conventional counterparts. The authors provide up-to-date, robust, accurate, reliable empirical enquiries addressing current issues of stock markets as well as providing up to date information and statistics to support future development and research. The book also covers a chapter on the current trends in research in Islamic capital markets, which analyses some recent and leading works to highlight and indicate the gaps in research that require further exploration. This book will be of value to all those who wish to gain a more thorough understanding of research in Islamic capital markets and the major topics in the field. 122 pp. Englisch.
