By Jarlath Caolan

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Jack is a Shepherd, though his job doesn't involve sheep. He shepherds the dead. There is a heaven and there is a hell, and there is something in between. 71 year old Jack, a war veteran turned trawlerman turned full-time tobacco enthusiast, is in between. He died last night, and now sits in purgatory's waiting room preparing for his final test. The test that will take him back to earth to endure a series of events that will push his mind to its limits, shake his soul to its foundations and ultimately ask him to answer the only question that has ever truly mattered: what is good, and what is evil? This short novel smashes together the concepts of relief and guilt, joy and sorrow, light and shadow, celebrating the soup of human existence in all its glory and all its tragedy. Heart-breaking and spirit-stirring with a wicked satirical undertone, The Shepherd wants you to fall in love with life all over again.
