SAGE Publications Inc, United States, 2004. Paperback. Condition: New. Language: English . Brand New Book. `The book is an excellent read as it provides both ideas and suggestions to empower leaders in the education system. Increasingly, more and more academics write for each other and not for the practitioners who lead our schools, so this is a refreshing book. In an era of some anti-leadership books it is refreshing to read ideas that build bridges to practitioners in order to improve schools. The book is an outstanding contribution to the resource base for leaders in schools and the wider education system - Professor Brent Davies, International Journal of Education Management `Michael Fullan s books - and this is no exception - are for educational policy makers, practitioners and researchers what J K Rowling s Harry Potter books are for children and parents. This is one of the best and most useful - Tim Brighouse `Michael Fullan has produced another powerful and inspirational book. He has the wonderful knack of continually positioning himself a couple of steps ahead of the fields. By so doing, he is able to challenge and lead thinking and thereby accelerate productive new developments - David Hopkins, Royal Holloway University of London `An ambitious and provocative journey into the complexities and possibilities that arise when leadership and sustainability join - Roland S Barth, Lessons Learned (Corwin Press 2003) `No one has contributed more to our understanding of leadership and change than Michael Fullan. Leadership Sustainability continues that tradition - a brilliant analysis of a timely topic - Thomas J Sergiovanni, Lillian Radford Professor of Education, Trinity University, San Antonio, Texas `Efforts at education reform have taken us down a variety of paths, and Michael Fullan has consistently noted the importance of leadership to large-scale reform. In his...
