DEEP ECONOMY: THE WEALTH OF COMMUNITIES AND THE DURABLE FUTURE (PAPERBACK)

St Martin's Press, United States, 2008. Paperback. Condition: New. Reprint. Language: English . Brand New Book. The bestselling author of *The End of Nature* issues an impassioned call to arms for an economy that creates community and ennobles our lives. For those who worry about environmental threats, he offers a route out of the worst of those problems; for those who wonder if there isn't something more to life than buying, he provides the insight to think about one's life as an individual and as a member of a larger community. McKibben offers a realistic, if challenging, scenario for a hopeful future. *Deep Economy* makes the compelling case that the more we nurture the essential humanity of our economy, the more we will recapture...
