INSPIRATION FROM SAVITRI: COLOURS AND GEMS (PAPERBACK)

Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Sri Aurobindo's lines and passages on colours and gems (and their colours) are filled with light and beauty, occasionally showing us the nether side of life and its manifestation as well in the grey and black shades. We also receive many valuable insights into colours in his Letters on Yoga, Vol. 23, and though not all are applicable to the passages quoted in Savitri since he is replying to things seen in vision, many are most illuminating and significant to a deeper understanding of Savitri. This, the sixth volume in the series Inspiration from Savitri invites us to study the lines and passages of colours and gems and enter further into realms of beauty and delight, uplifting us to worlds above in the soaring of our souls. All who are attracted to lights or see them will be moved by the magnificence, power and meaning with which Sri Aurobindo blesses us. *** Sri Aurobindo on Colour and Light Colour and light are always close to each other - colour being more indicative, light more dynamic. Colour incandescent becomes light. As for the exact symbolism of colours, it is not always easy to define exactly, because it is not rigid and precise, but complex, the meaning varying with the field, the combinations, the character and shades of the colour, the play of forces. A certain kind of yellow, for instance, is supposed by many occultists to indicate the buddhi, the intellect, and it often has that sense, but occurring among a play of vital forces it could not always be so interpreted - that would be too rigid. Here all one can say is that the blue (the particular blue seen, not...
