Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Et Tu, Sejane: A Story of Capri in the Days of Tiberius The island of Capri, or Siren Isle, as many call it, lies, as is well known, at the mouth of the bay of Naples, and is supposed to be the island to whose shores Homer describes the adventurous Odysseus as being lured by the voices of sirens. The isolated position and wild beauty of the island so appealed to Augustus Caesar, that he obtained it from the Greeks in exchange for Ischia, and made of it a lovely retreat adorned with splendid palaces. Thereafter the island remained for many generations the private property of the imperial house of Rome. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
