Reviews

It is one of my personal favorite books. It is written in easy terms and never hard to understand. It has been designed in an exceedingly easy way and it is only after I finished reading this publication that I changed the way I think.

Pan MacMillan, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book. Bucky Wunderlick is a rock and roll star. Dissatisfied with a life that has brought fame and fortune, he suddenly decides he no longer wants to be a commodity. He leaves his band mid-tour and holes up in a dingy, unfurnished apartment in Great Jones Street. Unfortunately, his disappearing act only succeeds in inflaming interest . . . Great Jones Street, Don DeLillo s third novel, is more than a musical satire: it probes the rights of the individual, foreshadows the struggle of the artist within a capitalist world and delivers a scathing portrait of our culture s obsession with the lives of the few.
