THE FATED DANCE: BOUND TO THE SHADOW DANCER (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.My name is Jenifer Conner and I dance for men. They come. They stare. And they pay. It s not by choice. My dreams of becoming professional dancer had to end when my dad died. I was left with huge debts, and made the sole guardian for my uncontrollable teenage sister, Flick. Life has been hard, and my trust for the male species is now virtually none existent. Apart from him, Grayson Crane. He s different: thoughtful, polite, and he has a position to fill. I don t do one-on-one dances at the club, and that s the reason my salary sucks. But he has made me a bizarre offer. And even though my rational side is telling me to say no, it might be the only way to salvage something of a normal life for Flick and I. The Fated Dance is a tear-jerking tale, in which a dance from years ago brings two damaged souls together. Told from both characters perspective, it explores life and death on an emotional rollercoaster ride.
