Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Monster Brothers is a continuation of my first book Monster Mind. That follows the life of Lance Livingston a killer who does not view himself as a killer only as a man that will eliminate those that would do him harm or harm his family. His high school friends Stephen Stevens, Donnie Walters and Zo Dupree join Lance in his endeavors. They call themselves The Brothers. The three friends play a major role in assisting Lance with the brutal eliminations of his and their enemies. Two new additions will be joining the group as they start to call themselves family. Lance is starting to get more of a handle on his gift of touch. The power it has along with how he can use it for good as well as evil. Lance and the brothers continue to have turmoil in their lives bringing them closer together as a family. Excerpt: The year was 1986 Lance now 36 sat at his desk contemplating what had brought him to this point in his life. He and Tonya broke up a few years back. She took their daughter with her. Tonya and Lance first started having problems when Tonya wanted to stay on the go on weekends where Lance wanted to stay home. Tonya worked in an office but the only contact she had were with people was her fellow employees where Lance interacted with all types of people. The bank often would send him to corporate office for a few days to over a week. He had an expense account stayed in the best hotels when he was out of town. That bothered Tonya and they began arguing more and...
