No PhDs Please: This Is Canada: Dismal Employment and Earning Prospects of PhDs in an (Paperback)

By Mahmood Iqbal Phd

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book examines the value of a PhD in Canada from a broad perspective and is written in a format suitable for a wide audience: professionals, business executives, governments and policy makers. It is presented through self-explanatory charts. The book dispels the conventional wisdom that the highest possible education is always rewarded. Earnings of PhDs in Canada are very close to those with a Masters; their unemployment rate is even higher, quite opposite of their counterparts in the United States and OECD countries. A government report shows that a good number of them are driving taxis. There are three main reasons for the deplorable state of Canada s PhDs: declining academic positions due to continued budget cuts (universities being the main employer), antipathy of politicians who are decision makers in governments (the second major employer) toward facts and research, and the continuing risk-averse, traditional outlook of the Canadian business sector. Canada s private sector is at the bottom among competing OECD countries when it comes to RD activities. It hires only 4 PhDs compared to the 42 hired by the...
