

Attack Of The Unsinkable Rubber Ducks (Paperback)

Filesize: 7.19 MB

Reviews

Thorough information! Its such a excellent read. It is really simplistic but unexpected situations within the fifty percent of your pdf. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Johnathon Moore)

ATTACK OF THE UNSINKABLE RUBBER DUCKS (PAPERBACK)

Little, Brown Book Group, United Kingdom, 2008. Paperback. Condition: New. Language: English . Brand New Book. Do you believe in ghosts? Do we really live on in some conscious form after we die, and is that form capable of communicating with the world of the living? Aye, right. That was Jack Parlabane's stance on the matter, anyway. But this was before he found himself in the more compromising position of being not only dead himself, but worse: dead with an exclusive still to file. From his position on high, Parlabane relates the events leading up to his demise, largely concerning the efforts of charismatic psychic Gabriel Lafayette to reconcile the scientific with the spiritual by submitting to controlled laboratory tests. Parlabane is brought in as an observer, due to his capacities as both a sceptic and an expert on deception, but he soon finds his certainties crumbling and his assumptions turned upside down as he encounters phenomena for which he can deduce no rational explanation. Perhaps, in a world in which he can find himself elected rector of an esteemed Scottish university, anything truly is possible. One thing he knows for certain, however: Death is not the end - it's the ultimate undercover assignment.
