Xulon Press, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. What Do You Do, When Your Saved Spouse Leaves; Keep on Living, Saresa Aiken says. Divorce is very devastating, painful, and shocking especially when you are saved. But God doesn't want you to give up on Life because a man walks out on you. That man was not part of your destiny, so you go on with life; for it's not over until God says, Its Over! This book is a True Testimonial that was written to help someone understand that your life is worth living beyond a divorce. Although, it's difficult to understand how a man of God could leave his wife, and go on with his life, as though she never existed. Remember, you only have one Life, and what that life is to be, is up to you. Don't allow anyone to have power over your life. I pray that the anointing will fall on everyone that read this book; and God will remove your burdens and destroy the yokes as he has done for me. This book will bless you. Just trust God!...
