COMMUNISM: A HISTORY (PAPERBACK)

Random House USA Inc, United States, 2003. Paperback. Condition: New. Reprint. Language: English . Brand New Book. With astonishing authority and clarity, Richard Pipes has fused a lifetime s scholarship into a single focused history of Communism, from its hopeful birth as a theory to its miserable death as a practice. At its heart, the book is a history of the Soviet Union, the most comprehensive reorganization of human society ever attempted by a nation-state. This is the story of how the agitation of Karl Marx and Friedrich Engels, two mid-nineteenth-century European thinkers and writers, led to a great and terrible world religion that brought down a mighty empire, consumed the world in conflict, and left in its wake a devastation whose full costs can only now be tabulated.
