Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A Loved one just passed away. Who do I call? What do I do? You need to help and prepare before you leave. You need to make lists and tell people what assets you do have and just as important, what assets you do not have to help guide those you leave behind. No one wants to talk about death so there are many unanswered questions that may cost you thousands of dollars. You do not have to read the whole book straight through. It was written to help you prepare for the transfer of everything you own and everything you owe. Can you just leave everything for someone else? Yes, but you should help them. Even a simple note listing your assets and their locations can save those coming to tidy up a great deal of time and effort. And there is so much more that is easy to do and needs to be done. Use the check lists in the book. What do I do? How do I do it? Who pays for things? Can state or local government force me to pay for someone s funeral? What if I do not want to be the executor? Can I be sued if I just make my best effort? I just found something valuable left by the deceased; now what? Does Medicaid have a claim on the estate? Medicare? Veterans and their families? Are there Free Funerals? This book was written to both Preplan a Funeral and organize an Estate for disposition. It is also used to help right now if someone just passed. (Tidy Up).
